Jisr Guide

Jisr Guide for Drivers

This is the main interface of the Jisr application.

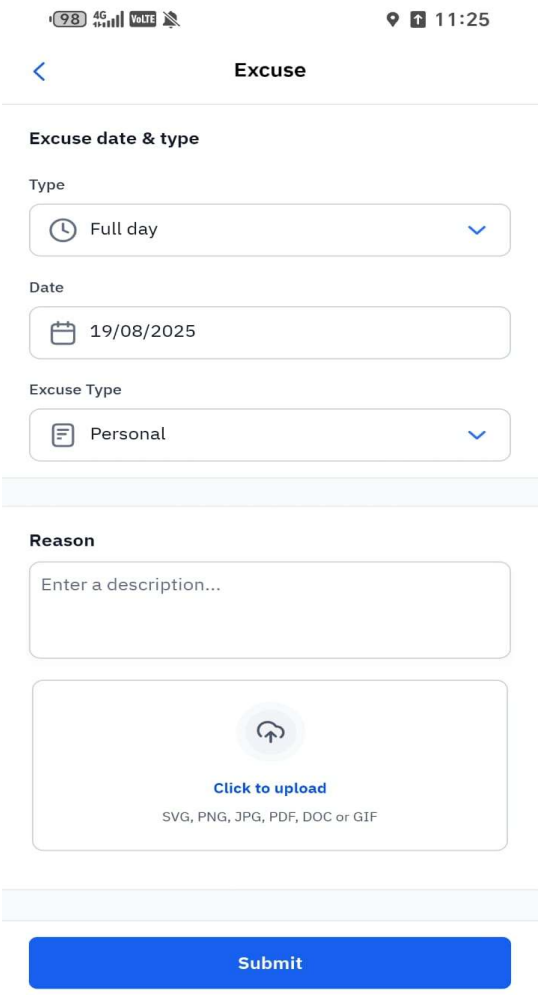

Here, the employee can clearly see the interface, and below there is a section for submitting requests such as:

Leave requests, Absence requests for health reasons, Advance payment requests

This is where an excuse for being absent from work is submitted.
The day and the reason must be specified.
No absence request will be accepted without an official excuse uploaded in the attachments section.
Without attachments, the request will be automatically rejected, the employee will be considered absent from work, and the day's wage will be deducted from the salary.

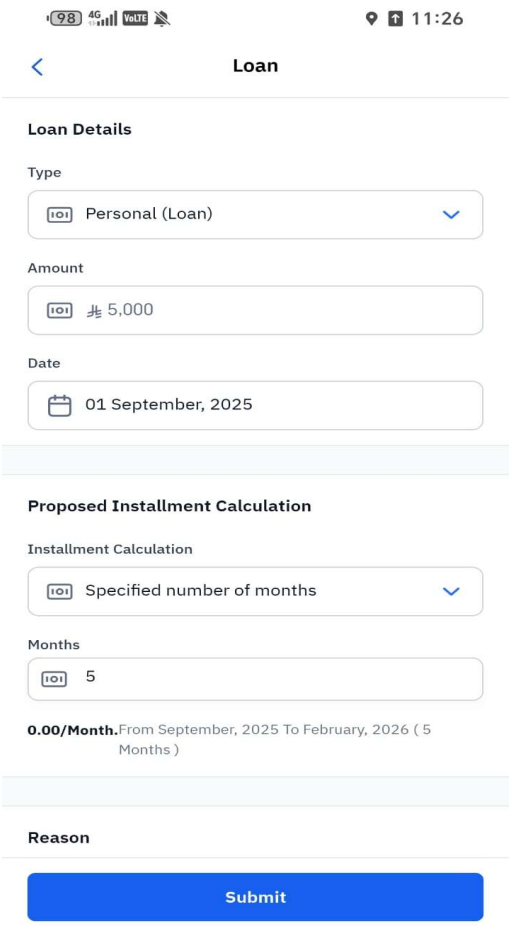

This is the advance (loan) request list.
An employee can request an advance for:

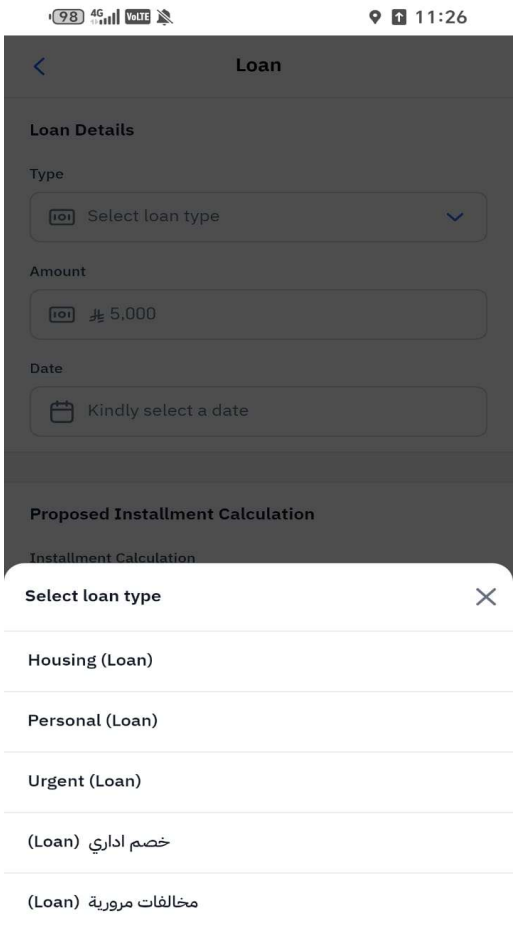

Home needs, Personal reasons, Urgent needs, Paying fines

No request will be accepted without an official document justifying the reason, which must be uploaded in the attachments section.

Conditions for applying for an advance:

1. The employee's evaluation must be above 55/60 during the year.
2. The employee must have at least one year of service (requests will not be accepted from those with less than one year of service).
3. The requested amount must not exceed 3,000 SAR, subject to other applicable conditions.

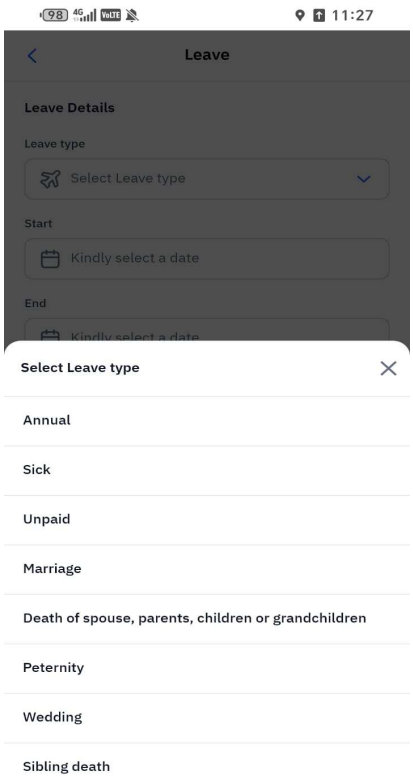

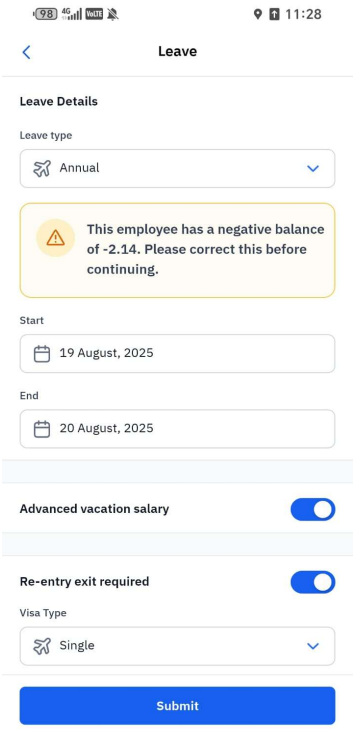

Leaves (Vacations):

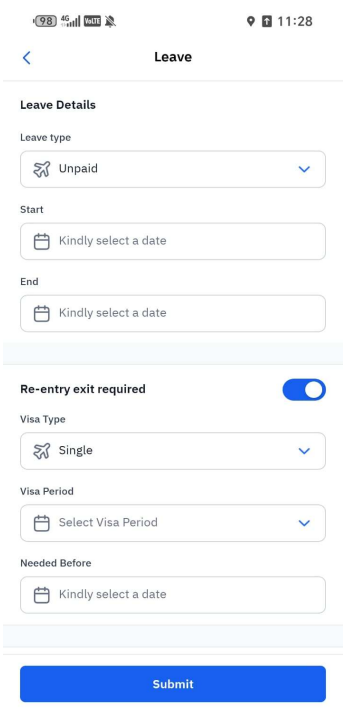

Annual leave requests must be submitted more than a month in advance before the start date, to allow other departments to organize accordingly and ensure there are no conflicts with tasks or schedules.

To properly submit an annual leave request, follow these steps:

1. Select the leave type as Annual Leave.
2. Specify the start and end dates.
3. Choose the option to receive advance salary + exit/re-entry visa.
4. Submit an unpaid leave (for every 21 days of annual leave, add 9 days of unpaid leave), which totals 30 days.

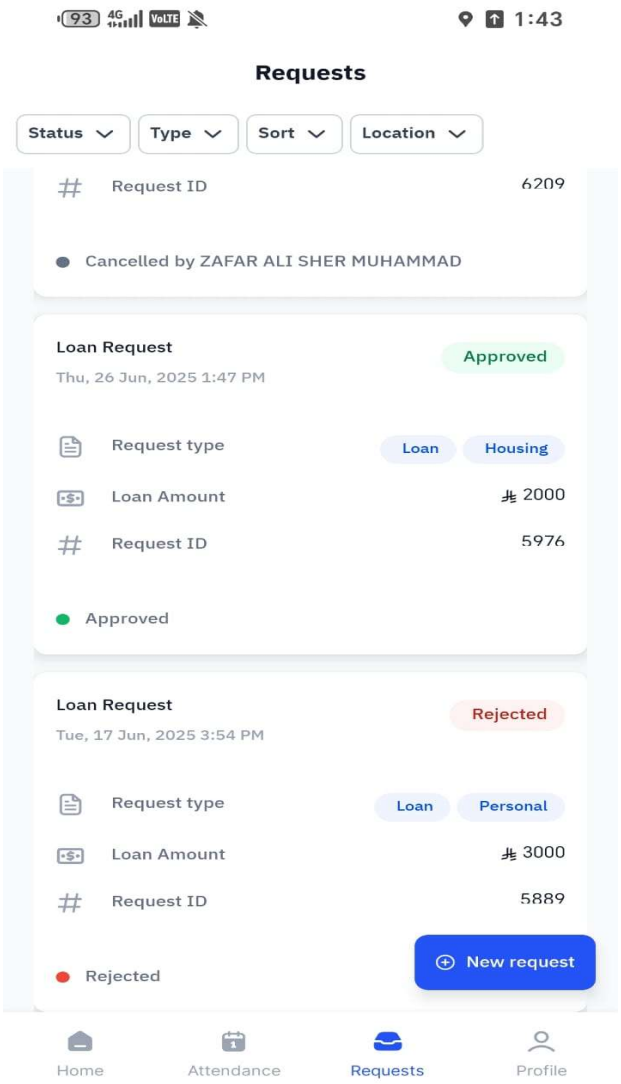

In the Requests section at the bottom of the Jisr app, the employee can check the status of any request they have submitted, regardless of its type.

If a request is rejected, the reason for the rejection will be provided by the concerned department.

To clarify again:
No request will be accepted without clear and official attachments, except for the annual leave, which only requires the direct manager's approval.

The Profile section contains all the employee's personal information, job-related information, and bank details.
In the Documents section, you can also find the Employee Handbook and the Quality Policy Guide.
